

MS. ZARINE KHURSHID

IMPERIAL COLLEGE, LONDON, UK

Special Projects Manager, Institute for Security Science & Technology,
Imperial College London

Zarine leads on strategic projects such as the establishment of an Innovation Ecosystem, a triple helix collective of start-ups/SMEs, large corporates, government, and academic partners, and more recently NATO's DIANA initiative on behalf of the Institute. She joined Imperial in 2012 and has extensive experience in staff development, research grants management and strategic projects.
